Object Learning Work Sheet

Name(s):

I. Describe the Assigned Art

Hint: List factual information only! Use descriptive language, describe the object so someone who is not looking at it could imagine it. Count, list, categorize, note shape, color, texture, etc.

II. Interpret the Art

Hint: Give potential meanings or symbolism, think about how the artist's design creates meanings/communicates ideas. Consider the object's cultural impact or context.

III. Evaluate the Art

Hint: How well did the work communicate? How could have the artist improved design and function? Consider your emotional reaction. Record multiple responses.

Questions for Discussion:

- 1) Which was the hardest of the three steps to complete?
- 2) Were there any disagreements within your group?
