George Washington Carver: The Student & Visionary

This self-guided exhibition tour will explore through historical and contemporary portraiture, the encouragement of young Carver by Iowa State faculty and administration that allowed for his success while on campus and led to him becoming the visionary person he is celebrated as today.

This exhibition is in conjunction with George Washington Carver, The Student & Innovator in the Dean’s Art Gallery, Curtiss Hall, College of Agriculture and Life Sciences and George Washington Carver, The Student & Artist in the Farm House Museum.
