SPRING 2020 PROGRAMS

University Museums at Iowa State University takes pride in the educational programming that is created and implemented throughout the year including artist lectures, family programs, Art Walks, gallery chats and other educational experiences. Educating ISU students, faculty and community members is a vital part of the museums’ mission. Programs are free and open to the public. University Museums kindly requests attendees register in advance at www.museums.iastate.edu. For changes or weather cancellations, go to the website, social media outlets, or call the University Museums office at 515-294-3342.
